

# Did you know??

Welcome to this month's newsletter. The four key bits of information this month are:

- We are pleased to confirm our new web site will go live in the next few days - the web address remains the same - [www.hillingdoncu.co.uk](http://www.hillingdoncu.co.uk) The members area has been greatly enhanced - your balances are updated twice a day, you can update your personal information including email address, home/mobile numbers and pin/passwords. You can also apply for loans on line. As part of the upgrade of the site we have taken the opportunity to further enhance the security features so the logging in process is slightly different and the first time you log into the members site you will need to re-register. The site also works much better with tablets and mobile phones
- Our competitive loans continue to be a hit with more members applying and benefiting from our ethical products, than anytime in our 25 year history. By way of example £2,000 over 2 years costs from £94.15 per month at an APR of 12.7%. This includes free life cover for those aged 69 and below and the interest rate is fixed so no surprises down the line if base rate goes up. For full details please see our web site or give us a call on 01895 250958. All loans are subject to affordability checks.
- Paying too much for your mobile phone?? There are great deals out there on sim only contracts - for example 3000 minutes 5000 texts and 4GB of data for only £10pm from Talkmobile- check comparison sites for the latest offers such as [https://www.uswitch.com/mobiles/compare/sim\\_only\\_deals/](https://www.uswitch.com/mobiles/compare/sim_only_deals/)
- Our Engage prepaid card provides good discounts at many high street stores including 3% off at Asda (excluding petrol) So if you spend £70 per week you would earn over £109 per year. The card costs only £2pm and all members ages 16 and above are guaranteed to be accepted. To apply either download the form from our web site or give us a call and we can pop a form in the post for you.

As always please do let us know if you have any suggestions for improvement or wish to opt out of this newsletter. Aug 16
