

# Did you know??

Welcome to this month's newsletter. The four key bits of information this month are:

- We are happy to advise that the Board has agreed funding to update our web site. This will provide a much better experience when the site is accessed via a phone or tablet and will provide additional member services. We anticipate the new site will be launched in July and we will provide further updates nearer the time of launch.
- We have started working with a number of churches to see if we can offer additional drop in services, providing forms and general advice. We are pleased to confirm the first two points have opened – these are located within the Wealdstone Baptist Church – Friday 10am to 12 noon and St Mikes, Harrow Weald, 2.30 to 4pm on Tuesdays alongside their tea in the afternoon
- Check to see if your personal information has been stolen. Find out if your passwords, email addresses, your home address, phone numbers or your DOB have been exposed after the big hacks of the last few years (including the recent LinkedIn warning) [Free check](#) For further information and guidance this [link](#) from Martin Lewis gives useful information.
- Need a loan between £7,500 and £15,000 and you are a homeowner? We offer loans from 5.9% APR for up to 5 years. There are no lending fees and free life cover up to £10,000 aged 69 or below. The loan can be used for any purpose i.e. holidays, weddings, home improvements, mobile homes etc. If you are interested please give us a call on 01895 250958 or have a look at our web site. All loans are subject to affordability checks.

As always please do let us know if you have any suggestions for improvement or wish to opt out of this newsletter. June 16
