

Did you know??

Welcome to the November edition. The four key bits of information this month are:

- We are now in full swing with Christmas loans. Processing times remain 24 hours once we have the completed application and bank statement. With the post likely to be slightly slower this time of year please make sure you get your application sent to us in good time, so there is no delay with your Christmas spending.
- Our new web site allows you to update your personal details and also make online share withdrawals, (subject to available funds) provided you do not have an outstanding loan. These services and many more are available in the members area – if you have not yet registered click [here](#) and you will be up and running within 24 hours.
- We pay £10 for good news stories that appear in our annual newsletter. Do you have an example of where we have made the difference to you or your family with the service or loans we have provided? Let us know by email via www.hillingdon.cu@gmail.com
- Do you shop at Asda? Did you know our Engage prepaid Visa card pays YOU 3% on all your shopping in store. It is free to apply for the card and all members of the Credit Union are guaranteed to be accepted. The monthly cost for the card is £2 but provided you spend more than £16 per week you will be better off ie spend £50 per week and the card will pay you £6.50 per month. Many other retailers are included in the scheme including Argos and Debenhams at 4% and New Look at 7% – a useful help towards Christmas! For more details see our new [web site](#)

As always please do let us know if you have any suggestions for improvement or wish to opt out of this newsletter. Nov 16
